

# Titan SIM Company footprint

## How we plan to grow our company profiles portfolio

Onboarding of new city areas can be done in **6-8 weeks** right now – from scouting to enrichment. Focus is on the Top 100 Consulting, IT Development and Service provider per city region. We growth in spend categories and suppliers as well!

-  **2022 / Q1** Planned \*
-  **2021 / Q4** Planned \*
-  **2021 / Q3** Ongoing \*
-  **Already on Titan SIM**

\* company scouting, registration, data curation and enrichment

Titan onboarded in 2021 already 1'500 supplier from 5 countries on our platform and we are growing. We will onboard until year end further 500 supplier from additional 4 countries and in the first half year again additional 500 from 5 more countries. Titan SIM will have mid 2022 already 2500 suppliers from 14 countries on our platform.
